

# **Metal Mania Mondays!**

## **...And a little Crazy on Sundays...**

### **What is it? Open Studio for Bead Bistro Students**

Open studio is an opportunity for you to continue practicing your jewelry skills and techniques. Practice your craft alongside other beginning and accomplished metalsmiths and jewelry makers. Work on your projects and design ideas with help soldering, setting stones, cold connections, trouble shooting and much more. Solder stations will be available and equipment usage such as hydraulic press, dies and rolling mill is included (with prior instruction).

Call 254-432-5307 or stop by Bead Bistro today to find out about all the great benefits of Open Studio time!
